OptimaKierland

Envisioned by award-winning architects David C. Hovey, FAIA and David Hovey Jr., AIA, Optima Kierland presents an unparalleled opportunity to experience a vibrant, colorful oasis that draws inspiration from the surrounding desert environment. With lush, rooftop gardens, vertical landscaping and breathtaking mountain views, the four soaring towers offer fully customizable one-, two-, three-, four-bedroom and penthouse residences for an expansive view of luxury living.

Amenity-Laden Luxury Living

Set in the midst of a premier destination for active, enthusiastic living, Optima Kierland offers residents an array of exclusive amenities to enhance health and well-being. Enjoy the benefits of a 16,000 sq. ft. Fitness center, indoor golf simulator, yoga room and a fully outfitted Residents' Club as well as a heated rooftop pool, barbecue pits and lounge areas for socializing. And that is only the beginning.

An Inspired Oasis

Every element of the Optima Kierland residences have been carefully designed and considered, down to the smallest details. High ceilings and windows enhance the airy spaciousness of the rooms, while designer screen shades and high-efficiency dual-pane glass help keep residences cool even on the hottest summer days. The highest quality finishes and fixtures throughout create an atmosphere of modern elegance. And expansive private terraces perfectly showcase the inspiring mountain views.

North Scottsdale Life, Optimized

Within a short walk of world-class Kierland dining, shopping, nightlife and golf, Optima Kierland is designed to be like no other residential community in the world. Leading the next evolution of residential design, Optima brings a visionary and enduring approach to every aspect of our craft.
