

The San Francisco Shipyard

San Francisco, California, Estados Unidos

Preços começando por: \$ 599,800

The Shipyard is a San Francisco love story. It is the best of what happened, and a garden of opportunities for what is still to come. Located on the waterfront with expansive views of the bay and access to up-and-coming cultural hotspots, The San Francisco Shipyard was built with the same spirit of craftsmanship, artistry and progressive ideas the city of San Francisco is known for.

Come see the city's newest space for innovation, productivity, living, and creativity. The San Francisco Shipyard will offer the city nearly 6,000 new homes, up to 5 million square feet of work space and research & development, dining, urban retail, and over 265 acres of parks and open spaces.

About the San Francisco Bay Area

Tucked in northern California on the tip of a peninsula, surrounded by the Pacific Ocean and San Francisco Bay, San Francisco is one of the most desired places to live in the United States. San Francisco County and the adjacent eight counties are known as the San Francisco Bay Area. As the cultural, financial and commercial center of Northern California, San Francisco offers a vast array of activities and recreation for residents and tourists alike

Community Highlights

Both Alma Townhomes and Engel Condominiums offer wonderful outdoor spaces that are highlighted by public art created by local community artists. A Shipyard shuttle provides transit to downtown San Francisco and other areas. Additionally, The Storehouse, located within the community, is much more than a convenient store, also serving as a gathering place for residents.

Home Features

There are multiple one- and two-story floor plans, ranging from 611 to 1,431 square feet (57 to 133 square meters), with numerous design touches for beauty and practicality. Lennar's Everything's Included® is an exclusive offering from the builder, containing thousands of dollars in extras simply included with each home. Features include include Caesarstone kitchen countertops, stainless steel Bosch kitchen appliances, washer, dryer, Nest Thermostat smart home technology and hardwood flooring throughout the main living areas.
